Dear Sir:

INFORMATION DISCLOSURE STATEMENT AND
PETITION UNDER 37 C.F.R. §1.97(d)

Pursuant to 37 C.F.R. §§1.56 and 1.97(d), Applicant brings to the attention of the Examiner the documents listed on the attached Form PTO-1449. This Information Disclosure Statement is being filed after a Final Action and is accompanied by a fee of \$180.00, as specified by §1.17(p) and a certification as specified under §1.97(e). Applicant respectfully petitions and requests that the Examiner considers the listed documents and evidence that consideration by making appropriate notations on the attached form.

Each item of information contained in this Information Disclosure Statement was first cited in a communication from a foreign patent office in a counterpart foreign application not more than three months prior to the filing of this Information Disclosure Statement.

As the Office has waived the requirement under 37 CFR §1.98(a)(2)(i) for submitting a copy of each cited U.S. patent, copies of the listed U.S. patents are not included with the submission of attached Form PTO 1449. Applicant respectfully requests that the Examiner

consider the listed documents and evidence that consideration by making appropriate notations on the attached form.

The listed documents were cited in the European Search Report which issued from a corresponding European Patent Application. A copy of the European Search Report is included herewith. The European Search Report is not a reference, and Applicant does not necessarily subscribe to any of the statements contained therein.

This submission does not represent that a search has been made or that no better art exists and does not constitute an admission that each or all of the listed documents are material or constitute "prior art." If it should be determined that any of the listed documents do not constitute "prior art" under United States law, Applicant reserves the right to present to the Office the relevant facts and law regarding the appropriate status of such documents.

Applicants further reserve the right to take appropriate action to establish the patentability of the disclosed invention over the listed documents, should one or more of the documents be applied against the claims of the present application.

If there is any additional fee due in connection with the filing of this Statement, please charge the fee to our Deposit Account No. 16-2463.

Respectfully submitted,
